

Exhibitor Prospectus Released

The premier event for your organization or company that serves the technical fields associated with Nuclear Materials Management. The Annual Meeting attracts over 500 attendees from around the globe.

WHAT EXHIBITORS AND SPONSORS CAN EXPECT

- Un-opposed Exhibit Hours - Connect with attendees without the competition of sessions for a more direct, focused approach! Over 6 hours of uninterrupted networking with industry leaders and 500+ participants from around the world!
- An optimal Conference layout with Session rooms located near the Exhibit Hall for optimal branding.
- Networking Social Events in the Exhibit/Poster Hall.
- Poster Sessions & refreshment breaks that take place in the Exhibit Hall.
- Engaged attendees who are eager to learn about your products & services.
- Exhibitor Passport Program – We are bringing back the passport program this year! Attendees will make their way around the exhibit hall and receive a sticker on their “passport” for each exhibit booth. The passports will be used for a prize raffle.
